

ENERGY EFFICIENCY

ACCELERATE THE
TRANSITION TO ENERGY-
EFFICIENT APPLIANCES
AND EQUIPMENT

United Nations Environment Programme
Division of Technology, Industry and Economics
75441 Paris Cedex 09 · France

In my capacity as representative of the Government of _____ [name of country] I request the accession of _____ [name of country] as a partner of the United Nations Environment Programme (UNEP) United for Efficiency (U4E) initiative.

As a member of this partnership with UNEP, the government of _____ [name of country] expresses its intention to take action to improve the efficiency of appliances and equipment. In return, _____ [name of country] will receive technical support and assistance in accessing funding for actions to promote the transition to energy efficient appliances and equipment.

The following officer is designated as the focal point of the partnership in my country:

Name: _____

Title: _____

Address: _____

E-mail: _____

Name & Signature [Minister] and Ministry
