

**Eco-Efficient Power Distribution Transformers in Africa**  
**Interactive Online Seminar/Workshop Agenda**  
**July 13<sup>th</sup> 10h00 -13h00 UTC**

<b>Agenda</b>				
<b>Slot #</b>	<b>Starting time</b>	<b>Topic</b>	<b>Speakers</b>	<b>Duration</b>
1	10:00 hs	Welcome to event. Introduction of the agenda and participants.	ECREEE/AfDB	15 min
2	10:15 hs	Introduction of UNEP'S United 4 Efficiency's Integrated Policy Approach, Savings Assessment Analysis, Power Distribution Transformers Markets & Technology and its impact in the ECOWAS and other African regions. Q & As	<b>Soledad GARCIA</b> , Energy Efficiency Project Coordinator (UNEP) & <b>Suhel PATEL</b> Global product manager and <b>Dr. Bhaba P. DAS</b> , Lead Digital Business Developer (Hitachi)	30 min + Q & As
3	10:50 hs	Perspectives in Financing Energy Efficiency Programmes in Power distribution in ECOWAS and other African regions.	<b>Gareth PHILLIPS</b> , Manager Climate and Environment Finance (AfDB)	20 min + Q & As
4	11:20 hs	Examples of working fiscal and financial incentive mechanisms to support adoption of higher efficiency Distribution Transformers.	<b>Balawant JOSHI</b> , Managing Director (Idam Infra, India)	20 min + Q & As
5	11:50 hs	Power Utilities Perspectives on Opportunities for Higher Efficiency Distribution Transformers in Africa.	The Association of Power Utilities of Africa (APUA)	20 min + Q + As
6	12:20 hs	Performance Contracting for Distribution Transformer's Best Repair – International Experiences.	<b>Manas KUNDU</b> , Director of Energy Solutions with ICA India (ICA - International Cooper Association)	20 min + Q & As
7	12:50 hs	Closure Workshop: final recommendations and conclusions. Detailed next steps to develop Project proposals, Technical Support and Financing Options.	APUA/ECREEE/AfDB/U4E	10 min
8	13:00 hs	Bilateral discussions		30 min
				<b>Total:</b> 210 min
